# DocuPrint CP305 d / CM305 df

## A4 Colour Laser Printer

### Affordable efficiency for small to medium businesses

# Efficient performers for any office

Convenient efficiency and productivity is easy with the new DocuPrint C305 Series single and multifunction printers. Two reliable, high-quality machines especially designed to meet the documentation needs of small to medium businesses. Affordably. Remarkably simple to use, the new DocuPrint C305 Series empowers any office with outstanding multifunction or print-only performance.

DocuPrint CP305 d

DocuPrint CM305 df

## Compact printers that deliver big results

Though compact, the DocuPrint C305 Series nonetheless produces high-quality print results with ease.

### 23 beautiful prints per minute

Take the lead with a high printing speed of 23 ppm, whether for black or colour printing.

### High 600 x 600 dpi resolution

Capture every detail in laser sharp 600 x 600 dpi quality that makes every print spectacular.

### Crisp and clear colours

Advanced technologies in your DocuPrint C305 Series printer ensure brilliant colour output for images and graphics.

**Natural Image Enhancement (NIE)** corrects the contrast and colour balance of images such as digital photo before printing for ideal results.

### Dimensional Accurate Colour Mapping

intelligently ensures that your document is printed in optimum colours.

**Direct Transfer Technology** gives better registration to improve colour sharpness. A short paper path also provides better paper feed and handling.

# Single or Multi-function – do everything easily

Whether it is just printing to copying, scanning or faxing, the DocuPrint C305 Series is one simple-to-use printer that gives you the necessary performance to efficiently fulfil multiple, day-to-day business operational tasks.

## Print with high productivity

Print performance is supported by a 256MB standard memory for both single and multifunction printer, and together with a fast processor speed of 400Mhz for single function device and powerful 533Mhz for the multifunction device, enabling quick 23 ppm printing of documents in colour or black-and-white. To maximize your print efficiency, an additional tray of 250 sheet can be added to give you a larger paper capacity of up to 501-sheet and reduce the occurrence of reloads.

## Copy with convenience\*

Whatever your copying needs may be, the DocuPrint C305 Series answers them. Easy enlargements or reductions from 25 % to 400 % are available at a touch of a button. There is also an automated ID Copy feature that lets you copy two sides of a small document onto the same side of an A4 page.

## Scan with ease\*

High-quality scanning of up to 9,600 dpi is quick and fuss-free. Furthermore, added features makes document flow much easier to manage. For example, you can scan an image directly to your USB storage device, an FTP server or a network folder; you could also email scans directly from the DocuPrint C305 Series.

## Fax with confidence\*

On the DocuPrint C305 Series, a fax speed 33.6kps as well as 200 speed dials means that it is always convenient and quick to send a fax message. For even more convenience, DirectFAX allows you to send a fax directly from your computer. Similarly, sending faxes to multiple recipients is simple with the group dial function.

## DocuPrint CP305 d / CM305 df Configurations

PRINT

### DocuPrint CP305 d

- 23 pages per minute printing
- Paper capacity – Up to 501-sheets
- Print resolution of up to 2,400 dpi equivalent
- Memory capacity of 256MB and processor speed of 400 MHz
- Network ready, USB 2.0

SCAN

FAX

COPY

PRINT

### DocuPrint CM305 df

- Same printing feature as DocuPrint CP305 d plus Copy, Scan and Fax
- ID copy feature
- Faster processor speed of 533MHz
- Scan to FTP/Email/SMB/USB
- Embedded Fax (33.6Kbps) and PC DirectFax

# Efficient Management for better workflow

Efficiency is everything in the world of business. As your office productivity solution, the DocuPrint C305 Series is packed with features to help ensure your documentation runs smoothly.

- **USB 2.0 plug and play installation** helps you set up your printer in an instant, letting you fast-track business operations.
- **CentreWare IS** provides administrators with status reports and also sends email alerts on situations that will soon require attention, such as low toner levels. This creates greater efficiency.
- **Fuji Xerox Auditron** enables the setting of specific print usage settings for different registered users, making print management easier.
- **USB Direct Scanning & Printing\*** means you can print directly from a USB storage device for added convenience and time-savings.
- **Remote Printer Monitor** automatically displays printer and print job statuses on your computer, saving you the need to walk to the machine.
- **Black function** will automatically print documents in black when colour toners run out.

- **IPv6** compatibility eliminates the need to set up IP addresses, DocuPrint C305 Series is ready for your office's use in moments.
- **Citrix** Presentation Server Support comes standard on the DocuPrint C305 Series, it connects with ease to Citrix networks for local and WAN printing.
- **WSD (Web Services on Device)** creates a seamless network plug and play experience on Windows operating systems.
- **LDAP\* (Lightweight Directory Access Protocol)** helps you build a global address list for scan-to-email tasks.

\*Only available on DocuPrint CM305 df

## More security for greater peace of mind

To protect sensitive information, the DocuPrint C305 Series encrypts data sent over networks using both SSL and Ipsec data encryption. An added line of digital defence is provided through IEEE 802.1x authentication.

For more security usage-wise, the control panel lock lets you limit user access via password protection, you can also use the IP Filter to limit printer access to registered IP addresses only.

In addition, with Secure Print and Secure Fax Receive, you can set password protection on prints and faxes\*. This way, the DocuPrint C305 Series will only print the protected job when you key in the password, thereby keeping sensitive data safer.

\*Available on DocuPrint CM305 df only

## Easy on the budget and our planet

The DocuPrint C305 Series is not only affordable, it is also very environmentally-friendly. Using energy- and resource-saving innovations, it performs with a reduced carbon footprint, even as it takes your business to a higher level of efficiency.

### Energy Star Qualified

Both the DocuPrint C305 Series multifunction and single function printers meet the stringent criteria for Energy Star Qualification. They efficiently perform regular tasks and when not in use, automatically go into low power mode to save energy.

### Duplex Print Setting

Set your printer to print double-sided by default to save natural resources as well as paper cost.

### Specifications of DocuPrint CP305 d / CM305 df

	DocuPrint CP305 d	DocuPrint CM305 df
<b>Print Function</b>		
Print Speed	Up to 23ppm for BW and colour (A4)	
Print Resolution	600 x 600dpi (multi-level)	
FPS	As fast as 15.5 sec. for BW and colour	
Warm-up time	24 seconds	
Memory (std Max)	256MB / 768MB	
Processor	400 MHz	533 MHz
PDL	PCL6, PCL5, Adobe PostScript 3, FX-PDF, HPL (for scanner)	PCL6, PCL5, Adobe PostScript 3, FX-PDF
Connectivity	Ethernet 10/100/1000 BaseTX, USB 2.0	
Supported OS	Windows 2000(Limited Support), Windows XP (32bit / 64bit), Microsoft Windows Server 2003 (32bit / 64bit), Windows Vista (32bit / 64bit), Windows 7 (32bit / 64bit), Windows Server 2008 R2 (64bit), Windows Server 2008 (32bit / 64bit), Mac OS X(10.4 - 10.6), RedHat Enterprise Linux ES v4 & v5, SUSE Linux Enterprise 10	
Input Paper Size	Standard Feeder and Manual Feeder:A4 SEF, B5 SEF, A5 SEF, Letter SEF, Executive SEF, Folio SEF, Legal SEF, Envelop#10 SEF, Monarch SEF, DL SEF, C5 SEF, Custom size: (W76.2 - 215.9mm x L127 - 355.6mm) Optional Feeder: A4 SEF, B5 SEF, A5 SEF, Letter SEF, Executive SEF, Folio SEF, Legal SEF, Custom size: (W148 - 215.9mm x L210 - 355.6mm) Two-sided Printing: A4 SEF, Letter SEF, Folio SEF, Legal SEF, Standard Feeder and Manual Feeder: 60 - 216gsm Optional Feeder and Two-sided Printing: 60 - 105gsm	
Input Paper Weight	Standard Feeder and Manual Feeder: 60 - 216gsm Optional Feeder and Two-sided Printing: 60 - 105gsm	
Media Input Capacity	Standard Feeder: 250 sheets Manual Feeder: 1 sheet Optional Feeder: 250 sheets	
Media Output Capacity	150 sheets face-down	
Dimensions (W x D x H)	400 (W) x 458 (D) x 416 (H) mm	430 (W) x 532 (D) x 581 (H) mm
Weight	19.4Kg	29.6Kg
Power Supply	220V - 240V or 110V - 127V, 50-60Hz	
Power Consumption	Maximum 1100W; Deep sleep: 8W or less; sleep: 15W or less; Standby: 60W Average; Continuous Printing: 365W Average	Maximum 1100W; Deep sleep: 18.4W or less; sleep: 35W or less; Standby: 60W Average; Continuous Printing: 410W Average; Energy STAR qualified
Noise Levels	During operation: 6.79B; 53dB (A)	
Warranty	Please check with your Fuji Xerox Printers reseller for more info.	
<b>Copy Function</b>		
Copy Speed (A4)	-	Up to 23cpm for BW and colour
Copy Resolution	-	600 x 600dpi
FCOT	-	30 seconds colour/20 seconds BW
Reduction / Enlargement	-	25 % - 400 %
Continuous Copy	-	99 pages
Copy Features	-	2-in-1 copy, ID card copy, Collation
